Dear Leonard,

Congratulations on winning the Viewers Choice Award for the best program, *DC Public Safety*, in the News/Public Affairs Category, and for all your hard work to produce programs that enliven and enrich life in our city's communities!

I'd also like to take this opportunity to thank you for participating in the 2009 Viewers Choice Awards, and for all the ways that your efforts and work promotes community media. We recognize with great appreciation how your singular efforts contribute to advancing the myriad ways that community-based programs such as *DC Public Safety*, touch and impact lives throughout the neighborhoods of the city. As a result, others are encouraged to participate in the dialogues and exchanges of our own local media that are so foundational to civic life.

Please find enclosed a DVD of the 2009 Viewers Choice Awards Ceremony program that is currently airing throughout the city.

Again, congratulations!

With my Best Regards,

Nantz Rickard
Executive Director and CEO
