EXECUTIVE SUMMARY: MISSION

Part E – Executive Summary

Part E.1 – Executive Summary: Mission

Introduction

Pursuant to the Equal Employment Opportunity Commission's Management Directive 715 (MD-715), the Court Services and Offender Supervision Agency for the District of Columbia (CSOSA) and the Pretrial Services Agency for the District of Columbia (PSA), an independent entity within CSOSA, present this report which assesses the progress made toward establishing a model equal employment opportunity (EEO) program in Fiscal Year (FY) 2023. Throughout this report, CSOSA and PSA will be referred to collectively as the Agency but will also be referred to individually as appropriate. The Agency's Annual EEO Program Status Report highlights its accomplishments and efforts to identify and eliminate barriers to the equitable treatment of all employees within the Agency and reaffirms its commitment to ensuring equal employment opportunity and promoting workforce diversity.

In FY 2023, as the nation transitioned to a post-COVID pandemic posture, the Agency continued to operate with a significant level of enhanced telework for its workforce, consistent with the guidance of the Office of Personnel Management and the Safer Federal Workforce Task Force. Notwithstanding the challenges these operating conditions presented, the Agency made progress in meeting its goals and objectives in maintaining a model EEO program as detailed below.

The Office of Equal Employment Opportunity, Diversity, and Special Programs

The Office of Equal Employment Opportunity, Diversity, and Special Programs (EEO Office) provides leadership, direction, and guidance in carrying out the Agency's EEO program. The EEO Office ensures compliance with federal nondiscrimination employment laws, regulations, and executive orders. EEO continues to be a top priority with leadership by recognizing that building and supporting a diverse and talented workforce is critical to the Agency's mission.

Agency's Mission and Mission-Related Functions

The Agency was established by Congress to consolidate parole, probation, supervised release, and pretrial functions for the District of Columbia under a single federal executive branch agency. CSOSA provides community supervision to adult offenders on probation, parole, and supervised release in the District of Columbia. Its mission is to increase public safety, prevent crime, reduce recidivism, and support the fair administration of justice in close collaboration with the community. PSA's mission is to promote pretrial justice and enhance community safety. PSA assists judicial officers in making appropriate release decisions and provides supervision and pro-social interventions to defendants released into the community before trial.

The Agency's FY 2023 summary of the Annual EEO Program Status Report outlines the progress the Agency made towards achieving a model EEO program; identifies program deficiencies and barriers to achieving such a program; and sets forth the planned actions designed to address and/or eliminate the program deficiencies and barriers. The Agency is confident that, by continuing the progress outlined in this report, the Agency will reach its goal of operating a model EEO program as envisioned by the Equal Employment Opportunity Commission (EEOC).

The MD-715 divides the essential elements of a model agency EEO program into the six broad categories reflected below:

--Demonstrated Commitment from Agency Leadership;--Integration of EEO into the Agency's Strategic Mission;--Management and Program Accountability;--Proactive Prevention of Unlawful Discrimination;--Efficiency; and--Responsiveness and Legal Compliance. These six elements serve as the organizing principles by which the Agency can assess and improve its EEO program. Accordingly, the Agency reviewed its EEO and personnel programs, policies, and performance in light of these elements to identify areas where the EEO program has made progress and those where it can become more effective. The major initiatives implemented in FY 2023 and planned for FY 2024 are listed below.

Court Services and Offender Supervision Agency for the District of
Columbia

For period covering October 1, 2022 to September 30, 2023

EXECUTIVE SUMMARY: ESSENTIAL ELEMENT A-F

Essential Element A: Demonstrated Commitment from Agency Leadership

The Agency is dedicated to the principles of EEO and maintaining a successful EEO program. This commitment is evident at all levels of the Agency, including at the senior executive, management, and employee levels. Demonstration of this commitment includes but is not limited to, activities that help maintain an environment free from discrimination, harassment, and retaliation.

The Director of CSOSA and the Director of PSA issued a joint EEO and Diversity Policy Statement on September 29, 2023. In this statement, the Directors reaffirmed their commitment to promoting diversity and inclusion and ensuring equal employment opportunity for every employee and applicant for employment. The statement also outlined avenues of redress for filing EEO complaints.

In furtherance of that commitment, the EEO Office, CSOSA's Office of Human Resources (OHR), CSOSA's Senior Executive Leadership Team (SELT), PSA's Office of Human Capital Management (OCHM), and PSA's Leadership Team continued to be involved in the recruitment, promotion, and hiring processes in various ways. OHR, OCHM, and EEO continued their collective work on developing a strategic recruitment plan to promote greater diversity and better reach those groups that have been identified as being underrepresented in the Agency's workforce.

In FY 2023, the Agency continued to use its Special Act monetary award entitled "The Diversity and Inclusion Award" to recognize employees who successfully promoted diversity, equity, inclusion, and accessibility and demonstrated superior accomplishments in EEO. Additionally, the EEO Office recognized EEO Counselors and the members of the Special Emphasis Programs, all of whom performed these duties on a collateral basis, with Special Act awards in FY 2023.

Essential Element B – Integration of EEO into the Agency's Strategic Mission

CSOSA's core mission is to increase public safety, prevent crime, reduce recidivism, and support the fair administration of justice in close collaboration with the community. PSA's mission is to promote pretrial justice and community safety by assisting judicial officers in making appropriate release decisions, and by providing supervision and pro-social interventions to defendants released into the community. The Agency is committed to developing and maintaining a highly skilled, diverse, and engaged workforce as the Agency appreciates how critical such a workforce is to accomplishing its missions.

Additionally, the Agency is committed to the integration of EEO into several critical areas of management including, but not limited to, the following:

Reporting Structure: The EEO Director continued to have appropriate authority and resources to effectively carry out a successful EEO program. The EEO Director continued to provide technical guidance in the implementation of EEO programs, including action plans in accordance with MD-715 guidance. In FY 2023, the Director continued to report directly to CSOSA's Director and continued to have direct access to the Director of PSA.

Communication: The annual MD-715 report, covering the Agency's FY 2022 accomplishments, planned activities, and strategies, was posted on the Agency's intranet as well as its public website domain found at www.csosa.gov. Once finalized, the annual report for FY 2023 will be posted in both locations as well.

Special Emphasis Programs: In FY 2023, the Agency's Special Emphasis Programs (SEPs) primarily operated in a virtual environment; however, two of the SEPs held in-person events as detailed below. The SEPs continued to support equal opportunities throughout the Agency including during various points in the employment life cycle such as recruitment, hiring, advancement, training, and promotions.

The SEPs played a vital role in educating about and increasing understanding of issues of particular importance to the various SEPs and employees in general. For example, in May 2023, the Asian and Pacific American Committee (APAC) educated employees about the role leaders of the Asian and American Pacific Islander (AAPI) community have played in supporting the civil rights of other minority groups and the support the AAPI community has received from leaders of other minority groups in the AAPI community's struggle for civil rights. The APAC also hosted the first in-person SEP event since March 2020. This event provided employees with the opportunity to participate in a tea social and learn about the importance of tea ceremonies

in various AAPI communities. In August 2023, APAC partnered with the Hispanic Employment Program Committee (HEPC) to host the second in-person SEP event since March 2020, during which the APAC and HEPC showcased the influence of AAPI musical artists on Hispanic/Latino popular music and the influence of Hispanic/Latino musical artists on Asian popular music.

In June 2023, the Agency's newly formed LGBTQ+ & Allies Committee took the helm for the first time in organizing the Agency's annual celebration of Pride Month. This celebration included a week dedicated to raising staff awareness about the LGBTQ+ community's struggle for civil rights, including the right to marry, as well as films and books that focused on the experiences of members of the LGBTQ+ community and places and institutions that have played important roles in fostering a sense of inclusion for members of the LGBTQ+ community. The LGBTQ+ & Allies Committee also hosted a speaker who shared some of the challenges she encountered as a transgender woman and the ways individuals and institutions can support members of the LGBTQ+ community.

By engaging and working with SEPs, the Agency continued to raise employee awareness about the importance of EEO, diversity, equality, inclusion, and accessibility while demonstrating the Agency's commitment to a model EEO workplace.

Concerning the Federal Employee Viewpoint Survey (FEVS) for FY 2023, the Agency's score as it related to the Inclusion Quotient (IQ) Index continued to equal the government-wide score. The survey results were emailed to employees.

Essential Element C – Management and Program Accountability

In support of the Agency's priority to empower management staff to embrace their roles as leaders and champions of diversity and inclusion, the Agency required its leadership and supervisors to participate in a series of courses intended to assist them in further developing their ability to lead and manage an increasingly diverse and inclusive workplace. Additionally, the Agency continued to provide employment development opportunities to its employees in its efforts to attract and engage a diverse and effective workforce. For example, in FY 2023, the Agency afforded employees detail assignment opportunities within the Agency to allow them to expand their knowledge and skill sets and to significantly assist the Agency's efforts to retain and train members of its diverse workforce.

Both CSOSA's Training and Career Development Center (TCDC) and PSA's Training and Career Development Unit (TCDU) provided mandatory training courses in the areas of EEO, sexual harassment prevention, and the No FEAR Act. The Agency continued providing training on its Anti-Harassment policy and procedures in its New Employee Orientation. In addition, the Agency continued to incorporate diversity, equity, inclusion, and accessibility principles into its New Employee Orientation, which also included a review of Executive Order 14035 on Diversity, Equity, Inclusion, and Accessibility (DEIA) in the Federal Workplace, (and the definitions included therein), a discussion of how DEIA principles are embedded into the Agency's culture and operations, and provided examples of how DEIA principles are applied in different scenarios.

Essential Element D – Proactive Prevention of Unlawful Discrimination

The Agency continued its proactive efforts to prevent unlawful discrimination in FY 2023. CSOSA's TCDC and PSA's TCDU provided mandatory self-paced online training courses in the areas of EEO, sexual harassment prevention, and the No FEAR Act. These courses were completed by over 125 of the 211 supervisors and managers and over 525 non-supervisory employees. In FY 2023, 64% of supervisors and managers also completed mandatory self-paced online training in the area of Reasonable Accommodation laws and regulations.

In FY 2023, the Agency continued in its efforts to implement Part J of its Affirmative Action Plan for People with Disabilities, including those with targeted disabilities. The Agency's goal is to strengthen its partnerships with Veterans' and rehabilitation services organizations to reach the Agency's adopted goals of a 12% participation rate in its workforce for People with Disabilities (PWD) and a 2% participation rate for People with Targeted Disabilities (PWTD).

In order to reach its adopted goals, the Agency remained focused on outreach and recruitment of employees with disabilities in FY 2023. To that end, the Agency continued to utilize a variety of recruitment strategies designed to increase the number of qualified applicants with disabilities and with targeted disabilities. These multi-pronged recruitment strategies, which the Agency will continue to use, include partnerships with Virginia's and the District of Columbia's Vocational Rehabilitation Services and disability resource centers at local colleges and universities; Workforce Recruitment Program; Operation Warfighter Program; and the Wounded Warrior Regiment, M4Life Program; and the New York City Department of Youth and

Community Development.

The Agency continued working to develop collaborative recruiting partnerships with other community, academic, and governmental groups that reach individuals with targeted disabilities to increase the pool of potential candidates at the GS-11 level and above, including managerial and supervisory positions at grades GS-13 to SES. The Agency continued its efforts to reach a larger pool of potential candidates, including by sending job announcements in real-time to federal, state, and local agencies and organizations serving persons with disabilities and posting job announcements on social media.

In FY 2023, as the nation transitioned to a post-COVID pandemic posture, the Agency continued providing training opportunities and funding for employees to participate in career and leadership programs. Employees participated in career and leadership programs, including the Susan Schaffer Leadership Academy, the Executive Leadership Program, the Executive Potential Leadership Program, the New Leaders Program, and other leadership development training for leaders and aspiring leaders.

Essential Element E – Efficiency

EEO Complaint Trends

In FY 2023, the Agency continued to promote and offer Alternative Dispute Resolution (ADR) to resolve both EEO and non-EEO inquiries and complaints. Individuals in 15 of the 22 EEO pre-complaints filed in FY 2023 elected ADR, resulting in an ADR participation rate of 68%. The participation rate in FY 2023 was down from the ADR participation rate in FY 2022, which was 82%. However, the ADR participation rate has remained above 60% for the last three years.

Every quarter, the Agency reviewed the complaints data in conjunction with the No FEAR Report to identify potential barriers and complaint trends. The number of formal complaints filed increased from five in FY 2022 to 13 in FY 2023.

In FY 2023, the EEO Office began 12 new investigations and continued investigations into two prior complaints. The average number of days it took the Office to complete investigations decreased from 204.00 days in FY 2022 to 173.43 days in FY 2023.

Essential Element F - Responsiveness and Legal Compliance

The Agency timely submitted its oversight reports in FY 2023, including the No FEAR Annual Report to Congress, the Federal Equal Opportunity Program (FEORP) report, and the Disabled Veterans Affirmative Action Program (DVAAP) report.

The workforce distribution by disability includes permanent and temporary employees as well as employees with "no disability," employees "with a disability," employees "with a targeted disability," and employees who "did not identify" any disability. In this report, when comparisons are made, only the triggers with statistically significant decreases or increases are noted.

In FY 2023, the Agency had a total of 91 permanent and temporary new hires. Thirty-five (35), or 38.47%, of the new hires identified as male, and the other 56 new hires, or 61.54%, identified as females. (Workforce Data Tables A1, A8).

The EEOC provided Federal agencies with an ongoing Federal benchmark of 12% for PWD and 2% for People with Targeted Disabilities (PWTD) within their respective workforces. Of the Agency's 91 permanent and temporary new hires in FY 2023, 52, or 57.15%, identified as having no disability; 9, or 9.90%, identified as having a disability; and 30, or 32.97%, did not identify if they had a disability. None of the new hires identified as having a targeted disability. (Workforce Data Tables B1, B8).

Employee Recognition and Awards

In FY 2023, the Agency provided 1,350 awards, including time-off awards, cash awards, and Quality Step Increases (QSIs). Of the 1,350 awards, 904, or 66.96%, were awarded to female employees, which was slightly above female employees' participation rate of 64.22% in the permanent workforce. Female employees received more than their proportional share of time-off awards as they received 131 of the 191 time-off awards, which was a participation rate of 68.59%. Female employees also received more than their proportional share of cash awards. Of the 1132 cash awards, female employees were awarded 755 awards, or 66.70%. (Workforce Data Tables A1, A9-1)

Overall, with regard to awards allocated to employees by race and gender, there were some variations. For example, Hispanic employees received a larger share of total awards in FY 2023 than their percentage representation in the Agency's permanent workforce. Employees who identified as Hispanic comprised 5.93% of the permanent workforce and received 108 of the 1,350 awards or 8.00% of awards. Hispanic men received 2.81% of total awards, and Hispanic females received 5.18% of total awards, which was greater than their participation rates of 2.39% and 3.54%, respectively. However, these groups received a disproportionately high percentage of awards in the "\$500 and under" category with Hispanic males and Hispanic females receiving 4.94% and 12.96%, respectively. This variance may be explained by the Agency's commitment to Foreign Language awards and EEO awards that are usually approved within the \$100-\$500 range and may benefit some members of this demographic. (Workforce Data Tables A1, A2, A9-1)

White men and women also received a slightly higher percentage of awards than their percentage representation in the permanent workforce. White employees comprised 9.57% of the permanent workforce and received 139, or 10.30% of total awards. However, White employees received a disproportionately higher percentage of cash awards of \$4,000 and above and Quality Step Increases ("QSIs"). For example, employees identifying as White received 17.65% of the Agency's cash awards of \$4,000 and above and 22.22% of the QSIs. (Workforce Data Tables A1, A2, A9-1)

Court Services and Offender Supervision Agency for the District of
Columbia

For period covering October 1, 2022 to September 30, 2023

EXECUTIVE SUMMARY: WORKFORCE ANALYSES

The largest demographic group in the Agency, Black females, represented 53.50% of the Agency's permanent workforce. In FY 2023, they received 53.48% of total awards. Notably, this demographic group received 44.12 % of the Agency's cash awards of \$4,000 and above as well as 44.44 % of the Agency's QSIs. (Workforce Data Tables A1, A2, A9)

Importantly, the Agency's top cash awards (the performance awards) are paid as a consistent percentage of salary based on performance rating. This analysis highlights areas of variance, but the causes of such variance (e.g., why certain employees received a higher percentage of top-cash awards) are likely due to employment demographics (e.g., the grade levels of certain demographics).

Separations

In FY 2023, 85 employees separated either voluntarily or involuntarily due to removals, resignations, retirements, and other reasons (including death and transfer to other Federal agencies) from the Agency. Fifty-seven (57), or 67.06%, of the separating employees in FY 2023 were female, and 28, or 32.95%, were male. Of the 85 separations, 68, or 80%, were Black; 13, or 15.29%, were White; 1, or 1.18%, were Hispanic; and 2, or 2.36%, were Asian. Regarding separations by PWD, 64, or 75.30%, of separating employees identified as having no disability; 10, or 11.77%, did not identify; and 11, or 12.95%, identified as having a disability. Voluntary separations accounted for 94.12% of all separations in FY 2022 and 97.65% of all separations in FY 2023. (Workforce Data Tables A1 and B1).

Persons with Targeted Disabilities

From FY 2022 to FY 2023, the number of persons with targeted disabilities (PWTDD) employed by the Agency decreased from 14, or 1.36%, to 13, or 1.25%. The Federal goal for PWTDD is 2.00%. Given that the Agency is a law enforcement agency, there are certain physical and mental qualifications for employees in the primary MCO position. However, the Agency's goal is to increase its PWTDD participation rate to 2.00% by continuing to focus its recruitment efforts on positions that support the primary MCO position as well on positions in the Agency's administrative components that are not law-enforcement related, such as OHR, OHCM, the Office of Financial Management, the Office of General Counsel, the Office of Administration, and the Office of Information Technology. As of the FY 2023 reporting period, the Agency continued to strive towards this goal.

In FY 2023, the overwhelming majority of PWTDDs were at the GS-12 and above grade levels. In fact, of the 13 permanent employees with targeted disabilities in FY 2023, 12 employees, or 92.31%, held positions at the GS-12 through SES level, while 1, or 7.69%, was at grade GS-11. (Workforce Data Tables B1 and B4-1 P).

Applicant Flow

In FY 2023, the entire Agency used USA Staffing as its automated employment platform. Identification of race, gender, and ethnicity was voluntary, and typically, 94% of job applicants self-identified. The quality of the applicant flow data that the Agency received through the employment platform appeared reliable. The Agency used this data to target its recruitment efforts to underrepresented groups in the Agency's workforce and to evaluate the effectiveness of this targeted recruitment effort. Thus far, the process has been working smoothly.

In FY 2023, the Agency continued to have a lower participation rate of Hispanic females in its permanent workforce, as compared to this group's availability in the 2018 CLF. Employees who identified as Hispanic females constituted only 3.55% of the permanent workforce, although Hispanic females participated at a rate of 6.16% in the 2018 CLF. (Workforce Data Table A1).

Although none of the Agency's 85 permanent new hires identified as Hispanic females in FY 2023, the Agency selected 2 Hispanic female applicants for MCO positions in job series Social Science (0101). Indeed, of the 107 qualified external applicants for this MCO job series, 4 qualified external candidates, or 4.40%, identified as Hispanic females, and 1, or 4.35%, qualified external candidate who identified as a Hispanic female was selected for an MCO position. With respect to internal competitive promotions for the MCO job series Social Science (0101), 4 of the 118 qualified internal applicants, or 3.39%, identified as Hispanic females. Ultimately, there were 10 applicants selected for internal competitive promotions in this job series. One (1) of the 10 selectees, or 10%, was a Hispanic female. (Workforce Data Tables A1 and A6-1P).

EXECUTIVE SUMMARY: WORKFORCE ANALYSES

Triggers and Barriers

In FY 2023, the Agency continued to have a lower participation rate of White and Hispanic employees in its permanent workforce, as compared to each group’s availability in the 2018 CLF. White employees’ availability in the CLF was 67.47%, and their participation rate in the Agency’s permanent workforce was 9.57%. Hispanic employees’ availability in the CLF was 12.98%, and their participation rate in the Agency was 5.93%. (Workforce Data Tables A1 and A2).

With respect to White employees and Hispanic males, the data suggests that there are no triggers or barriers to the participation of these demographic groups in the SES ranks. Of the 15 SES members, 5, or 33.34%, were White males, 1, or 6.67%, was a White female, and 1, or 6.67%, was a Hispanic male in FY 2023. (Workforce Data Tables A4-1P)

The table below suggests there may be a “glass ceiling” for employees who identify as Hispanic females since the participation rate of this demographic group in the GS-15 and SES fell below the corresponding availability in all benchmarks. A glass ceiling refers to a circumstance in which certain groups encounter obstacles on their way to highest rank, i.e., the SES. Although the Agency has explored this issue, it has yet to identify the triggers. The Agency will continue the exploration to ensure there are no barriers in the recruitment and/or selection processes for GS-15 and SES positions. Notably, the Agency had a very small SES with only 15 members in FY 2023. (Workforce Data Tables A1, A4-1P, and A6-1 P)

Glass Ceiling Benchmarks FY 2023 Hispanic Females

SES	0.00%
GS-15	0.00%
GS-14	3.54%
Upward Mobility[1]	4.15%
Permanent Workforce	3.55%

In addition to the glass ceiling analysis, the Agency examined whether there may be a “blocked pipeline.” This refers to a situation where certain groups encounter obstacles on their way up the internal SES feeder pool.

Blocked Pipeline Benchmarks FY 2023 Hispanic Females

SES	0.00%
GS-15	0.00%
GS-14	3.54%
GS-13	5.56%
Permanent Workforce	3.55%

The above table suggests that Hispanic females may have experienced triggers at GS-15. Although the Agency has explored this issue, it has yet to identify the triggers. The Agency will continue the exploration to ensure there are no barriers in the recruitment and/or selection processes. (Workforce Data Table A4-1P)

[1] To obtain the upward mobility benchmark, the Agency used the data in Table A6P for the following occupations from which the employees may have the chance to advance to the SES level: Social Science (0101), Social Sciences Aid and Technician (0102), and Information Technology Management (2210).

EXECUTIVE SUMMARY: PLANNED ACTIVITIES

FY 2021 – FY 2025 Plan Requirement to Correct Deficiencies

Outlined below are program deficiencies identified in the Agency's FY 2017 Affirmative Action Plan, which the Agency projects will be addressed as part as of a multi-year strategy.

Plan to Recruit and Hire Individuals with Disabilities

The Agency plans to continue its efforts to determine whether barriers exist for PWD and PWTD in the recruitment and/or selection processes for the mission-critical occupational category of Social Science (0101). This data will be incorporated into the Agency's comprehensive recruitment plan. The Agency is also exploring how to expand its contacts with organizations that serve PWD and PWTD.

Plan to Improve Retention of Persons with Disabilities

The Agency continues to collect exit interview data to try to identify reasons highly performing PWD are leaving the agency. The Agency will continue to explore ways of encouraging valued PWD who may be considering leaving to remain with the Agency

Identification and Removal of Barriers

The Agency is exploring how to continue to investigate triggers involving the low participation rate of PWD in the mission-critical occupation series 0101. The Agency utilizes additional sources of data to: (1) identify policies, procedures, and practices that limit PWDs' and PWTDs' employment opportunities; (2) investigate whether PWD and PWTD are experiencing barriers that either prevent them from applying for and/or being selected for promotions or new hires to the senior grade levels; (3) identify the proportion of mission-critical occupation series 0101 that lead to managerial positions, and if PWD and PWTD have a low participation rate, conduct a focus group with the population to identify impediments to their advancement within the Agency; (4) examine whether any policies, procedures, and practices are motivating PWD and PWTD to leave the Agency; (5) evaluate policies, practices, and procedures surrounding reasonable accommodation requests, career development opportunities, job assignments, performance appraisals, awards, and the work environment; and (6) conduct climate assessment survey, and focus groups.

2020	The Agency sent the Revised Reasonable Accommodation policy and procedures to the EEOC on June 10, 2020.
2021	On February 3, 2021, the EEOC provided its feedback on the revised policy and procedures. The Agency revised the documents accordingly and resubmitted them on April 13, 2021. The EEOC approved the policy and procedures on April 20, 2021. The revised Reasonable Accommodation policy and procedures became effective on April 30, 2021. Under the revised policy and procedures, the time frame for processing requests was reduced from 60 days to 30 days and OHR began processing requests for the entire Agency. In FY 2021, the number of requests for Reasonable Accommodation as well as the novelty of the requests increased exponentially as a result of COVID-19 related illnesses and the concern that an increase in onsite operations was imminent.
2022	In FY 2022, the Agency increased staffing from one (1) person to five (5) people by assigning OHR's Employee and Labor Relations staff to assist with the unprecedented number of requests. In addition, the Agency began to retool its mechanisms in its attempts to process the requests more expeditiously.
2023	In FY 2023, the Agency's efforts in increasing staffing and retooling processes resulted in an increase in the percentage of reasonable accommodation requests processed in a timely manner. In FY 2022, 33% of the requests were processed in a timely manner and in FY 2023, 46% of the requests were timely processed.
2024	In FY 2024, the Agency plans to procure the services of a contractor to assist with request processing. The Agency also plans to continue exploring other ways of increasing the expediency with which it processes reasonable accommodation requests.

03/30/2020	Create templates to increase efficiency of handling investigations, final agency decisions, and final agency actions.	Yes	09/30/2022	

Accomplishments

Fiscal Year	Accomplishment
2020	The Agency begun creating templates and assessing training and staffing needs. However, due to the national pandemic caused by COVID-19, complaints processing became more challenging. Most employees in the Agency, including the EEO Office, had to transition from working primarily onsite and with hard copies to working entirely remotely and with the electronic submission and delivery of documents. This led to inevitable delays as the parties as well as the EEO Office learned to adapt to the challenges presented by the pandemic as well as the transition to an entirely remote working environment. However, the EEO Office staff became increasingly adept at navigating in the new environment and assisting the parties with doing so. During this time, the EEO staff were able to take advantage of greater online training opportunities.
2021	To assist with the timeliness of final agency actions, at least one member of the EEO Office was included as an Agency contact on all proceedings before the EEOC. This allowed the EEO Office to timely complete all final agency actions in FY 2021. The Agency enhanced training for collateral duty EEO Counselors and EEO staff. In addition to the providing the Counselors and staff with required training, the Agency took advantage of the free EEOC-provided course offerings on topics of greatest relevance. To increase the timeliness of counselings, investigations, final agency decisions, and final agency actions, the Agency continued creating templates. The EEO Office also continued to monitor its complaints tracking system to assess its progress in increasing the timeliness in the processing of complaints. The Agency recognized that the EEO Office's staffing level was insufficient and authorized the EEO Office to hire a replacement for a staff member who left in FY 2021 and to hire for an additional position.
2022	On June 21, 2022, the Agency brought onboard a new EEO Specialist with extensive EEO experience. In addition, the Agency advertised an additional position repeatedly, but did not identify a candidate with the necessary skill set. Notwithstanding this difficulty, the Agency issued its final agency decisions in a timely manner in FY 2022.
2023	The Agency timely completed its counselings and timely issued its final agency decisions and final orders in FY 2023. The Agency improved the timeliness of the issuance of its reports of investigations so that the average time for the issuance of a report of investigation was 173 days.
2024	The Agency will continue to monitor the timeliness of its complaint processing.

2020	The Agency began creating templates and assessing training and staffing needs. However, due to the national pandemic caused by COVID-19, complaints processing became more challenging. Most employees in the Agency, including the EEO Office, had to transition from working primarily onsite and with hard copies to working entirely remotely and with the electronic submission and delivery of documents. This led to inevitable delays as the parties as well as the EEO Office learned to adapt to the challenges presented by the pandemic as well as the transition to an entirely remote working environment. However, the EEO Office staff became increasingly adept at navigating in the new environment and assisting the parties with doing so. During this time, the EEO staff were able to take advantage of greater online training opportunities.
2021	To assist with the timeliness of final agency actions, at least one member of the EEO Office was included as an Agency contact on all proceedings before the EEOC. This allowed the EEO Office to timely complete all final agency actions in FY 2021. The Agency enhanced training for collateral duty EEO Counselors and EEO staff. In addition to the providing the Counselors and staff with required training, the Agency took advantage of the free EEOC-provided course offerings on topics of greatest relevance. To increase the timeliness of counselings, investigations, final agency decisions, and final agency actions, the Agency continued creating templates. The EEO Office also continued to monitor its complaints tracking system to assess its progress in increasing the timeliness in the processing of complaints. The Agency recognized that the EEO Office's staffing level was insufficient and authorized the EEO Office to hire a replacement for a staff member who left in FY 2021 and to hire for an additional position.
2022	On June 21, 2022, the Agency brought onboard a new EEO Specialist with extensive EEO experience. In addition, the Agency advertised an additional position repeatedly, but did not identify a candidate with the necessary skill set. Notwithstanding this difficulty, the Agency issued its final agency decisions in a timely manner in FY 2022.
2023	The Agency timely completed its counselings and timely issued its final agency decisions and final orders in FY 2023. The Agency improved the timeliness of the issuance of its reports of investigations so that the average time for the issuance of a report of investigation was 173 days.
2024	The Agency will continue to monitor the timeliness of its complaint processing.

Indeed, in 2000, when the Agency was certified, the population of White residents of the District was only 30.8% while the population of Black residents was 60%. While the demographics of the District have changed substantially over the last 20 years, the turnover of the Agency's workforce has been at a much slower rate as has the change in the Agency's demographics. MD-715 – Part J
Special Program Plan
for the Recruitment, Hiring, Advancement, and
Retention of Persons with Disabilities

To capture agencies' affirmative action plan for persons with disabilities (PWD) and persons with targeted disabilities (PWTD), EEOC regulations (29 C.F.R. § 1614.203(e)) and MD-715 require agencies to describe how their affirmative action plan will improve the recruitment, hiring, advancement, and retention of applicants and employees with disabilities.

Section I: Efforts to Reach Regulatory Goals

EEOC regulations (29 CFR §1614.203(d)(7)) require agencies to establish specific numerical goals for increasing the participation of persons with disabilities and persons with targeted disabilities in the federal government

1. Using the goal of 12% as the benchmark, does your agency have a trigger involving PWD by grade level cluster in the permanent workforce? If “yes”, describe the trigger(s) in the text box.

- | | | |
|-------------------------------|--------|-----|
| a.Cluster GS-1 to GS-10 (PWD) | Answer | No |
| b.Cluster GS-11 to SES (PWD) | Answer | Yes |

In FY 2023, the percentage of PWD in GS-1 to GS-10 cluster of permanent workforce was at a rate of 12.66%, which was an increase from the 10.76% rate in FY 2022. The 12.66% rate slightly exceeds the expected 12% benchmark. PWD in the GS-11 to SES cluster of the permanent workforce participated at a rate of 8.15% in FY 2023, a slight increase from FY 2022 when the rate was at 7.89% in FY 2022. The 8.15% rate is lower than the expected 12% benchmark which indicates a trigger.

*For GS employees, please use two clusters: GS-1 to GS-10 and GS-11 to SES, as set forth in 29 C.F.R. § 1614.203(d) (7). For all other pay plans, please use the approximate grade clusters that are above or below GS-11 Step 1 in the Washington, DC metropolitan region.

2. Using the goal of 2% as the benchmark, does your agency have a trigger involving PWTD by grade level cluster in the permanent workforce? If “yes”, describe the trigger(s) in the text box.

- | | | |
|--------------------------------|--------|-----|
| a.Cluster GS-1 to GS-10 (PWTD) | Answer | Yes |
| b.Cluster GS-11 to SES (PWTD) | Answer | Yes |

In FY 2023, there was a 0% rate for PWTD in the GS-1 to GS-10 cluster of the permanent workforce, which decreased from the FY 2022 rate of 0.63%. The FY 2023 rate is lower than the expected 2% benchmark, indicating a trigger. PWTD in the GS-11 to SES cluster of the permanent workforce participated at a rate of 1.47% in FY 2023, which was lower than the FY 2022 rate of 1.49% in FY 2022. The FY 2023 rate of 1.47% is lower than the expected 2% benchmark, indicating a trigger.

3. Describe how the agency has communicated the numerical goals to the hiring managers and/or recruiters.

The Agency utilizes the EEOC's 12% and 2% benchmarks for PWD and PWTD, respectively, as targets. The Agency communicates information on the hiring of PWD and PWTD as part of its efforts to encourage Program Offices to use Schedule A hiring authorities. In FY 2023, the Agency continued to work with the offices of Equal Employment Opportunity, Diversity, and Special Programs (EEO), the Office of Human Resources (OHR), and the Office of Human Capital Management (OCHM) to improve the participation rate for PWD and PTWD. The Agency continued its campaign to remind employees annually about the importance of updating their disability status with the Agency so that the Agency can gain a more accurate count of PWD and PTWD currently working at the Agency and the needs of those employees. In addition, OHR and OCHM continue in their efforts in (1) assisting in the recruitment of qualified disabled applicants; (2) expanding the use of the Schedule A process (where applicable); (3) assisting in the advertising of any mandatory or optional training programs; and (4) ensuring that the goals and requirements within Executive Order 13548 and Part J of the MD-715 Annual Report are communicated and implemented throughout the organization. Additionally, the Agency continued discussing different mechanisms for examining the potential barriers as well as agency policies and procedures pertaining to the recruitment, hiring, and retention of underrepresented groups, including PWD.

Section II: Model Disability Program

Pursuant to 29 C.F.R. § 1614.203(d)(1), agencies must ensure sufficient staff, training and resources to recruit and hire persons with disabilities and persons with targeted disabilities, administer the reasonable accommodation program and special emphasis program, and oversee any other disability hiring and advancement program the agency has in place.

A. PLAN TO PROVIDE SUFFICIENT & COMPETENT STAFFING FOR THE DISABILITY PROGRAM

1. Has the agency designated sufficient qualified personnel to implement its disability program during the reporting period? If "no", describe the agency's plan to improve the staffing for the upcoming year.

Answer Yes

In April 2021, the EEOC approved, and the Agency implemented, its Reasonable Accommodation policy and procedures. Under the revised policy, the OHR staff were designated as the Reasonable Accommodation Coordinator and assumed the disability program responsibilities for the entire Agency. In addition, the time frame for processing reasonable accommodation requests was reduced from 60 to 30 days. During FY 2021, the number of requests for Reasonable Accommodation as well as the novelty of the requests increased exponentially as a result of COVID-19-related illnesses and the concern that an increase in onsite operations was imminent. In FY 2022, the Agency increased staffing from one person to five people by assigning OHR's Employee and Labor Relations staff to assist with the unprecedented number of requests. The Agency also began to retool its mechanisms in its efforts to process the requests more expeditiously. In FY 2023, the Agency's efforts to increase staffing and retool processes resulted in an increase in the percentage of reasonable accommodation requests processed in a timely manner. In FY 2022, 33% of the requests were processed in a timely manner and in FY 2023, 46% of the requests were timely processed. The Agency will continue to monitor the timeliness of the request processing over the next year and explore ways of increasing the efficiency with which it processes requests. At that time, the Agency may be in a better position to assess what, if any, additional resources may be necessary.

2. Identify all staff responsible for implementing the agency's disability employment program by the office, staff employment status, and responsible official.

3. Has the agency provided disability program staff with sufficient training to carry out their responsibilities during the reporting period? If “yes”, describe the training that disability program staff have received. If “no”, describe the training planned for the upcoming year.

Answer Yes

During FY 2023, members of the EEO and the OHR staff received the following training with respect to their disability program duties: 1. Excel and FDR Training Conferences 2023 (MD-715 Disability and Reasonable Accommodation Track) 2. Mandatory EEO training on Reasonable Accommodation and the No FEAR Act.

B. PLAN TO ENSURE SUFFICIENT FUNDING FOR THE DISABILITY PROGRAM

Has the agency provided sufficient funding and other resources to successfully implement the disability program during the reporting period? If “no”, describe the agency’s plan to ensure all aspects of the disability program have sufficient funding and other resources

Answer Yes

In April 2021, the EEOC approved, and the Agency implemented its Reasonable Accommodation policy and procedures. Under the revised policy, the OHR staff were designated as the Reasonable Accommodation Coordinator and assumed the disability program responsibilities for the entire Agency. In addition, the time frame for processing reasonable accommodation requests was reduced from 60 to 30 days. During FY 2021, the number of requests for Reasonable Accommodation as well as the novelty of the requests increased exponentially as a result of COVID-19 related illnesses and the concern that an increase in onsite operations was imminent. In FY 2022, the Agency increased staffing from one person to five people by assigning OHR’s Employee and Labor Relations staff to assist with the unprecedented number of requests. In FY 2023, the Agency’s efforts to increase staffing and retool processes resulted in an increase in the percentage of reasonable accommodation requests processed in a timely manner. In FY 2022, 33% of the requests were processed in a timely manner and in FY 2023, 46% of the requests were timely processed. The Agency will continue to monitor the timeliness of the request processing over the next year and explore ways of increasing the efficiency with which it processes requests. At that time, the Agency may be in a better position to assess what, if any, additional resources may be necessary.

Section III: Plan to Recruit and Hire Individuals with Disabilities

Pursuant to 29 C.F.R. §1614.203(d)(1)(i) and (ii), agencies must establish a plan to increase the recruitment and hiring of individuals with disabilities. The questions below are designed to identify outcomes of the agency's recruitment program plan for PWD and PWTD

A. PLAN TO IDENTIFY JOB APPLICATIONS WITH DISABILITIES

1. Describe the programs and resources the agency uses to identify job applicants with disabilities, including individuals with targeted disabilities.

In FY 2022, even with limited resources, the Agency continued to utilize a variety of recruitment strategies designed to increase the number of qualified applicants with disabilities and applicants with targeted disabilities, including networking with organizations that serve PWD and PWTD. In FY 2022, the Agency was below the 12% goal of PWD in the GS-1 to GS-10 cluster at 10.76% and the GS-11 to SES cluster at 7.89%. The Agency was below the goal of 2% of PWTD in the same clusters at 0.63% and 1.49%, respectively. The Agency will continue to implement the following multi-pronged and multi-year recruitment strategies in FY 2023, FY 2024, and FY 2025: a. Continue to target recruitment of PWD by reviewing and reinforcing the function of the Selective Placement Coordinator who has responsibility for the staffing and recruitment of People with Disabilities. With the assistance of the Agency's Disabled Veterans Affirmative Action Plan Manager (DVAAPM), the Agency will continue to partner with Virginia's and the District of Columbia's Vocational Rehabilitation Services, the New York City Department of Youth and Community Development, and national organizations such as: o Disabled Veterans' Outreach Programs; o Disabled Transition Assistance Programs; o Disability Resource Centers at colleges and universities; and o The Agency has explored the potential opportunities/resources of OPM's shared register for applicants with disabilities, designed by Bender Consulting Services. b. Continue to partner with the Workforce Recruitment Program to recruit post-secondary students and recent graduates with disabilities who would be an ideal match for the mission of the Agency for temporary and permanent positions for which they qualify. c. Develop collaborative recruiting partnerships with community, academic, and governmental groups that can reach individuals with targeted disabilities to maximize recruiting from all sources when filling positions at the GS-11 level and above, including managerial and supervisory positions at grades GS-13 to SES. d. Increase the Agency's presence at meetings, conferences, and career fairs sponsored by organizations serving individuals with targeted disabilities to reach a larger pool of potential candidates.

2. Pursuant to 29 C.F.R. §1614.203(a)(3), describe the agency's use of hiring authorities that take disability into account (e.g., Schedule A) to recruit PWD and PWTD for positions in the permanent workforce

The Agency used all available hiring authorities to recruit and hire PWD and PWTD. Recruitment efforts included: o Use of the Workforce Recruitment Program. o Continued Partnership with the D.C. government's Department of Rehabilitative Services Administration (DRSA) to provide expanded opportunities for individuals with disabilities to gain access to meaningful employment with CSOSA and PSA. o Partnership with Operation War Fighter Internship Program and the Wounded Warrior Regiment M4Life Program. o Partnership with the New York City Department of Youth and Community Development. o Continued involvement by management officials in the recruitment process of hiring persons with disabilities and use of contacts and engagement with partners who specialize in hiring persons with disabilities.

3. When individuals apply for a position under a hiring authority that takes disability into account (e.g., Schedule A), explain how the agency (1) determines if the individual is eligible for appointment under such authority; and, (2) forwards the individual's application to the relevant hiring officials with an explanation of how and when the individual may be appointed.

The Agency connected with federal state, and local agencies and organizations serving persons with disabilities by sending job announcements via email and posting announcements on social media. The Agency's Selective Placement Coordinator was contacted by interested applicants who sought employment with the Agency. Additionally, the Agency continued to provide employees with disabilities with a multitude of training and developmental opportunities, which allowed individuals to gain skills and competencies needed for the successful performance of their jobs and to enhance their career opportunities.

4. Has the agency provided training to all hiring managers on the use of hiring authorities that take disability into account (e.g., Schedule A)? If "yes", describe the type(s) of training and frequency. If "no", describe the agency's plan to provide this training.

Answer Yes

OHR and OCHM continued their practice of informing hiring managers about the use of special hiring authorities that consider disability. Managers and supervisors also received formal and informal training biennially as part of the mandatory EEO and Diversity training requirements. This training covered the special hiring authorities, the hiring goals, the Reasonable Accommodation laws, and other diversity and inclusion topics.

B. PLAN TO ESTABLISH CONTACTS WITH DISABILITY EMPLOYMENT ORGANIZATIONS

Describe the agency's efforts to establish and maintain contacts with organizations that assist PWD, including PWTD, in securing and maintaining employment.

The Agency maintained contact with organizations that assist PWD, including PWTD, with securing and maintaining employment. The Agency collaborated with the Wounded Warrior Regiment – Career Resources Management Center in Quantico, Virginia, the D.C. Department on Disability Services, and the Virginia Rehabilitation Services to provide disabled individuals with real-life work experience. The Agency also partnered with the New York City Department of Youth and Community Development. .

C. PROGRESSION TOWARDS GOALS (RECRUITMENT AND HIRING)

1. Using the goals of 12% for PWD and 2% for PWTD as the benchmarks, do triggers exist for PWD and/or PWTD among the new hires in the permanent workforce? If "yes", please describe the triggers below.

- a. New Hires for Permanent Workforce (PWD) Answer Yes
- b. New Hires for Permanent Workforce (PWTD) Answer Yes

Using the goals of 12% for PWD and 2% for PWTD, a trigger exists among new hires for PWD and PWTD. In FY 2023, 8 of the new hires, or 9.42%, identified as having a disability, which is an increase from FY 2022, when none of the new hires so identified. However, in FY 2022 and 2023, there were no new hires who identified as having a targeted disability.

2. Using the qualified applicant pool as the benchmark, do triggers exist for PWD and/or PWTD among the new hires for any of the mission-critical occupations (MCO)? If "yes", please describe the triggers below. Select "n/a" if the applicant data is not available for your agency, and describe your plan to provide the data in the text box.

- a. New Hires for MCO (PWD) Answer No
- b. New Hires for MCO (PWTD) Answer No

In FY 2023, there were 2 qualified applicants for an MCO position in job series 0101, identified as having a disability. One (1) of the 2 applicants also identified as having a targeted disability. The applicant who identified as having a targeted disability was selected for MCO a position. That constitutes a 4.35% participation rate for PWTDs, which is above the 2% goal, but below the 12% goal for PWDs.

3. Using the relevant applicant pool as the benchmark, do triggers exist for PWD and/or PWTD among the qualified internal applicants for any of the mission-critical occupations (MCO)? If "yes", please describe the triggers below. Select "n/a" if the applicant data is not available for your agency, and describe your plan to provide the data in the text box.

- a. Qualified Applicants for MCO (PWD) Answer Yes
- b. Qualified Applicants for MCO (PWTD) Answer Yes

In FY 2023, there was 1 qualified internal applicant for the MCO position in job series 0101, who identified as having a disability. This applicant did not identify as having a targeted disability. This applicant was not selected for MCO positions in job series 0101.

4. Using the qualified applicant pool as the benchmark, do triggers exist for PWD and/or PWTD among employees promoted to any of the mission-critical occupations (MCO)? If “yes”, please describe the triggers below. Select “n/a” if the applicant data is not available for your agency, and describe your plan to provide the data in the text box.

- | | | |
|------------------------------|--------|-----|
| a. Promotions for MCO (PWD) | Answer | Yes |
| b. Promotions for MCO (PWTD) | Answer | Yes |

In FY 2023, there was 1 qualified internal applicant for the MCO position in job series 0101, who identified as having a disability. This applicant did not identify as having a targeted disability. This applicant was not selected for MCO positions in job series 0101.

Section IV: Plan to Ensure Advancement Opportunities for Employees with Disabilities

Pursuant to 29 C.F.R. §1614.203(d)(1)(iii), agencies are required to provide sufficient advancement opportunities for employees with disabilities. Such activities might include specialized training and mentoring programs, career development opportunities, awards programs, promotions, and similar programs that address advancement. In this section, agencies should identify, and provide data on programs designed to ensure advancement opportunities for employees with disabilities.

A. ADVANCEMENT PROGRAM PLAN

Describe the agency’s plan to ensure PWD, including PWTD, have sufficient opportunities for advancement.

During FY 2022, FY 2023, FY 2024, and FY 2025, the Agency continues to improve and strengthen its opportunities for advancement for PWD, including PWTD, utilizing the following initiatives: • Continue to explore whether barriers exist for PWD and PWTD in the recruitment and/or selection process for the mission-critical occupational series 0101. This data will be incorporated into CSOSA’s comprehensive recruitment plan, which is under development. The Agency is also open to expanding its contacts to include America Job Centers and employment network service providers. • Utilize additional sources of data to: (1) identify policies, procedures, and practices that limit PWD’s and PWTD’s employment opportunities; (2) investigate whether PWD and PWTD are experiencing barriers that either prevent them from applying for and/or being selected for promotions or new hires to the senior grade levels; (3) identify the proportion of mission-critical occupations that lead to managerial positions, and if PWD and PWTD have a low participation rate, conduct a focus group with the population to identify impediments to their advancement within the Agency; (4) examine whether any of policies, procedures, and practices are motivating PWD and PWTD to leave the Agency; (5) evaluate policies, practices, and procedures surrounding reasonable accommodation requests, career development opportunities, job assignments, performance appraisals, awards, and the work environment; and (6) conduct climate assessment surveys and focus groups. • Plan to investigate whether PWD and PWTD have barriers in recruitment and/or selection processes for new hires and promotions to senior grade levels and management positions as well as the distribution of awards. The Agency also will consider the use of details and job assignments as tools for PWD and PWTD to obtain significant work experience. • Establish a plan to collect exit interview data by disability status and identify reasons PWD and PWTD are leaving the Agency. The Agency also will plan to conduct interviews to encourage PWD and PWTD who may be considering leaving to stay.

B. CAREER DEVELOPMENT OPPORTUNITES

1. Please describe the career development opportunities that the agency provides to its employees.

Employees are encouraged to take advantage of the variety of programs the Agency usually offers because training promotes professional and personal development. Employees with disabilities are actively encouraged to apply for these developmental opportunities as well. These opportunities are advertised via email and online. The Agency tracks the names of the employees selected for training and details through its established Human Resources systems of record and has other mechanisms in place for limited tracking of employees who are selected for mentoring, fellowships, and coaching. Some of those career development opportunities and training programs are listed below:

- o Shadowing and Mentoring programs
- o American Probation and Parole Association Leadership Institute
- o Susan Shaffer Leadership Academy

2. In the table below, please provide the data for career development opportunities that require competition and/or supervisory recommendation/approval to participate.

Career Development Opportunities	Total Participants		PWD		PWTD	
	Applicants (#)	Selectees (#)	Applicants (%)	Selectees (%)	Applicants (%)	Selectees (%)

Section V: Plan to Improve Retention of Persons with Disabilities

To be model employer for persons with disabilities, agencies must have policies and programs in place to retain employees with disabilities. In this section, agencies should: (1) analyze workforce separation data to identify barriers retaining employees with disabilities; (2) describe efforts to ensure accessibility of technology and facilities; and (3) provide information on the reasonable accommodation program and workplace assistance services.

A. VOLUNTARY AND INVOLUNTARY SEPARATIONS

The internet address for the Agency’s notice regarding the rights of employees and applicants under Section 508 of the Rehabilitation Act as well as under the Architectural Barriers Act is www.csosa.gov/accessibility/.

3. Describe any programs, policies, or practices that the agency has undertaken, or plans on undertaking over the next fiscal year, designed to improve accessibility of agency facilities and/or technology.

In FY 2023, the Agency explored opportunities for publicizing its technological accessibility features and encouraging employees to use some of the features regardless of disability status, so that the regular use of certain features becomes the standard practice for the Agency.

C. REASONABLE ACCOMMODATION PROGRAM

Pursuant to 29 C.F.R. § 1614.203(d)(3), agencies must adopt, post on their public website, and make available to all job applicants and employees, reasonable accommodation procedures.

1. Please provide the average time frame for processing initial requests for reasonable accommodations during the reporting period. (Please do not include previously approved requests with repetitive accommodations, such as interpreting services.)

D. PERSONAL ASSISTANCE SERVICES ALLOWING EMPLOYEES TO PARTICIPATE IN THE WORKPLACE

Pursuant to 29 CFR §1614.203(d)(5), federal agencies, as an aspect of affirmative action, are required to provide personal assistance services (PAS) to employees who need them because of a targeted disability, unless doing so would impose an undue hardship on the agency.

Describe the effectiveness of the policies, procedures, or practices to implement the PAS requirement. Some examples of an effective program include timely processing requests for PAS, timely providing approved services, conducting training for managers and supervisors, and monitoring PAS requests for trends.

In FY 2023, the Agency continued training on its revised Reasonable Accommodation policy and procedures, which incorporates requests for personal assistance services. This was in addition to the online self-paced training on Reasonable Accommodation laws that the Agency provided to employees.

In FY 2023, there were no findings of discrimination involving the failure to provide reasonable accommodations.

Section VII: Identification and Removal of Barriers

Element D of MD-715 requires agencies to conduct a barrier analysis when a trigger suggests that a policy, procedure, or practice may be impeding the employment opportunities of a protected EEO group.

Affirmative Action Plan for the Recruitment, Hiring, Advancement, and Retention of Persons with Disabilities

To capture agencies' affirmative action plan for persons with disabilities (PWD) and persons with targeted disabilities (PWTD), EEOC regulations (29 C.F.R. § 1614.203(e)) and MD-715 require agencies to describe how their affirmative action plan will improve the recruitment, hiring, advancement, and retention of applicants and employees with disabilities.

Section I: Efforts to Reach Regulatory Goals

EEOC regulations (29 CFR §1614.203(d)(7)) require agencies to establish specific numerical goals for increasing the participation of persons with disabilities and persons with targeted disabilities in the federal government

1. Using the goal of 12% as the benchmark, does your agency have a trigger involving PWD by grade level cluster in the permanent workforce? If "yes", describe the trigger(s) in the text box.

- | | |
|--------------------------------|------------|
| a. Cluster GS-1 to GS-10 (PWD) | Answer No |
| b. Cluster GS-11 to SES (PWD) | Answer Yes |

In FY 2023, the percentage of PWD in GS-1 to GS-10 cluster of permanent workforce was at a rate of 12.66%, which was an increase from the 10.76% rate in FY 2022. The 12.66% rate slightly exceeds the expected 12% benchmark. PWD in the GS-11 to SES cluster of the permanent workforce participated at a rate of 8.15% in FY 2023, a slight increase from FY 2022 when the rate was at 7.89% in FY 2022. The 8.15% rate is lower than the expected 12% benchmark which indicates a trigger.

*For GS employees, please use two clusters: GS-1 to GS-10 and GS-11 to SES, as set forth in 29 C.F.R. § 1614.203(d)(7). For all other pay plans, please use the approximate grade clusters that are above or below GS-11 Step 1 in the Washington, DC metropolitan region.

2. Using the goal of 2% as the benchmark, does your agency have a trigger involving PWTD by grade level cluster in the permanent workforce? If "yes", describe the trigger(s) in the text box.

- | | |
|---------------------------------|------------|
| a. Cluster GS-1 to GS-10 (PWTD) | Answer Yes |
| b. Cluster GS-11 to SES (PWTD) | Answer Yes |

In FY 2023, there was a 0% rate for PWTD in the GS-1 to GS-10 cluster of the permanent workforce, which decreased from the FY 2022 rate of 0.63%. The FY 2023 rate is lower than the expected 2% benchmark, indicating a trigger. PWTD in the GS-11 to SES cluster of the permanent workforce participated at a rate of 1.47% in FY 2023, which was lower than the FY 2022 rate of 1.49% in FY 2022. The FY 2023 rate of 1.47% is lower than the expected 2% benchmark, indicating a trigger.

Grade Level Cluster(GS or Alternate Pay Planb)	Total	Reportable Disability		Targeted Disability	
	#	#	%	#	%
Numarical Goal	--	12%		2%	
Grades GS-11 to SES	884	72	8.14	13	1.47
Grades GS-1 to GS-10	79	10	12.66	0	0.00

3. Describe how the agency has communicated the numerical goals to the hiring managers and/or recruiters.

The Agency utilizes the EEOC's 12% and 2% benchmarks for PWD and PWTB, respectively, as targets. The Agency communicates information on the hiring of PWD and PWTB as part of its efforts to encourage Program Offices to use Schedule A hiring authorities. In FY 2023, the Agency continued to work with the offices of Equal Employment Opportunity, Diversity, and Special Programs (EEO), the Office of Human Resources (OHR), and the Office of Human Capital Management (OCHM) to improve the participation rate for PWD and PTWD. The Agency continued its campaign to remind employees annually about the importance of updating their disability status with the Agency so that the Agency can gain a more accurate count of PWD and PTWD currently working at the Agency and the needs of those employees. In addition, OHR and OCHM continue in their efforts in (1) assisting in the recruitment of qualified disabled applicants; (2) expanding the use of the Schedule A process (where applicable); (3) assisting in the advertising of any mandatory or optional training programs; and (4) ensuring that the goals and requirements within Executive Order 13548 and Part J of the MD-715 Annual Report are communicated and implemented throughout the organization. Additionally, the Agency continued discussing different mechanisms for examining the potential barriers as well as agency policies and procedures pertaining to the recruitment, hiring, and retention of underrepresented groups, including PWD.

Section II: Model Disability Program

Pursuant to 29 C.F.R. § 1614.203(d)(1), agencies must ensure sufficient staff, training and resources to recruit and hire persons with disabilities and persons with targeted disabilities, administer the reasonable accommodation program and special emphasis program, and oversee any other disability hiring and advancement program the agency has in place.

A. PLAN TO PROVIDE SUFFICIENT & COMPETENT STAFFING FOR THE DISABILITY PROGRAM

1. Has the agency designated sufficient qualified personnel to implement its disability program during the reporting period?
If "no", describe the agency's plan to improve the staffing for the upcoming year.

Answer Yes

In April 2021, the EEOC approved, and the Agency implemented, its Reasonable Accommodation policy and procedures. Under the revised policy, the OHR staff were designated as the Reasonable Accommodation Coordinator and assumed the disability program responsibilities for the entire Agency. In addition, the time frame for processing reasonable accommodation requests was reduced from 60 to 30 days. During FY 2021, the number of requests for Reasonable Accommodation as well as the novelty of the requests increased exponentially as a result of COVID-19-related illnesses and the concern that an increase in onsite operations was imminent. In FY 2022, the Agency increased staffing from one person to five people by assigning OHR's Employee and Labor Relations staff to assist with the unprecedented number of requests. The Agency also began to retool its mechanisms in its efforts to process the requests more expeditiously. In FY 2023, the Agency's efforts to increase staffing and retool processes resulted in an increase in the percentage of reasonable accommodation requests processed in a timely manner. In FY 2022, 33% of the requests were processed in a timely manner and in FY 2023, 46% of the requests were timely processed. The Agency will continue to monitor the timeliness of the request processing over the next year and explore ways of increasing the efficiency with which it processes requests. At that time, the Agency may be in a better position to assess what, if any, additional resources may be necessary.

2. Identify all staff responsible for implementing the agency's disability employment program by the office, staff employment status, and responsible official.

3. Has the agency provided disability program staff with sufficient training to carry out their responsibilities during the reporting period? If “yes”, describe the training that disability program staff have received. If “no”, describe the training planned for the upcoming year.

Answer Yes

During FY 2023, members of the EEO and the OHR staff received the following training with respect to their disability program duties: 1. Excel and FDR Training Conferences 2023 (MD-715 Disability and Reasonable Accommodation Track) 2. Mandatory EEO training on Reasonable Accommodation and the No FEAR Act.

B. PLAN TO ENSURE SUFFICIENT FUNDING FOR THE DISABILITY PROGRAM

Has the agency provided sufficient funding and other resources to successfully implement the disability program during the reporting period? If “no”, describe the agency’s plan to ensure all aspects of the disability program have sufficient funding and other resources.

Answer Yes

In April 2021, the EEOC approved, and the Agency implemented its Reasonable Accommodation policy and procedures. Under the revised policy, the OHR staff were designated as the Reasonable Accommodation Coordinator and assumed the disability program responsibilities for the entire Agency. In addition, the time frame for processing reasonable accommodation requests was reduced

from 60 to 30 days. During FY 2021, the number of requests for Reasonable Accommodation as well as the novelty of the requests increased exponentially as a result of COVID-19 related illnesses and the concern that an increase in onsite operations was imminent. The Agency will continue to monitor the timeliness of the request processing over the next year and explore ways of increasing the efficiency with which it processes requests. At that time, the Agency may be in a better position to assess what, if any, additional resources may be necessary.

Section IV: Plan to Recruit and Hire Individuals with Disabilities

Pursuant to 29 C.F.R. §1614.203(d)(1)(i) and (ii), agencies must establish a plan to increase the recruitment and hiring of individuals with disabilities. The questions below are designed to identify outcomes of the agency’s recruitment program plan for PWD and PWTD

A. PLAN TO IDENTIFY JOB APPLICATIONS WITH DISABILITIES

1. Describe the programs and resources the agency uses to identify job applicants with disabilities, including individuals with targeted disabilities.

In FY 2022, even with limited resources, the Agency continued to utilize a variety of recruitment strategies designed to increase the number of qualified applicants with disabilities and applicants with targeted disabilities, including networking with organizations that serve PWD and PWTD. In FY 2022, the Agency was below the 12% goal of PWD in the GS-1 to GS-10 cluster at 10.76% and the GS-11 to SES cluster at 7.89%. The Agency was below the goal of 2% of PWTD in the same clusters at 0.63% and 1.49%, respectively. The Agency will continue to implement the following multi-pronged and multi-year recruitment strategies in FY 2023, FY 2024, and FY 2025: a. Continue to target recruitment of PWD by reviewing and reinforcing the function of the Selective Placement Coordinator who has responsibility for the staffing and recruitment of People with Disabilities. With the assistance of the Agency’s Disabled Veterans Affirmative Action Plan Manager (DVAAPM), the Agency will continue to partner with Virginia’s and the District of Columbia’s Vocational Rehabilitation Services, the New York City Department of Youth and Community Development, and national organizations such as: o Disabled Veterans’ Outreach Programs; o Disabled Transition Assistance Programs; o Disability Resource Centers at colleges and universities; and o The Agency has explored the potential opportunities/resources of OPM’s shared register for applicants with disabilities, designed by Bender Consulting Services. b. Continue to partner with the Workforce Recruitment Program to recruit post-secondary students and recent graduates with disabilities who would be an ideal match for the mission of the Agency for temporary and permanent positions for which they qualify. c. Develop collaborative recruiting partnerships with community, academic, and governmental groups that can reach individuals with targeted disabilities to maximize recruiting from all sources when filling positions at the GS-11 level and above, including managerial and supervisory positions at grades GS-13 to SES. d. Increase the Agency’s presence at meetings, conferences, and career fairs sponsored by

organizations serving individuals with targeted disabilities to reach a larger pool of potential candidates.

2. Pursuant to 29 C.F.R. §1614.203(a)(3), describe the agency’s use of hiring authorities that take disability into account (e.g., Schedule A) to recruit PWD and PWTD for positions in the permanent workforce

The Agency used all available hiring authorities to recruit and hire PWD and PWTD. Recruitment efforts included: o Use of the Workforce Recruitment Program. o Continued Partnership with the D.C. government’s Department of Rehabilitative Services Administration (DRSA) to provide expanded opportunities for individuals with disabilities to gain access to meaningful employment with CSOSA and PSA. o Partnership with Operation War Fighter Internship Program and the Wounded Warrior Regiment M4Life Program. o Partnership with the New York City Department of Youth and Community Development. o Continued involvement by management officials in the recruitment process of hiring persons with disabilities and use of contacts and engagement with partners who specialize in hiring persons with disabilities.

3. When individuals apply for a position under a hiring authority that takes disability into account (e.g., Schedule A), explain how the agency (1) determines if the individual is eligible for appointment under such authority; and, (2) forwards the individual’s application to the relevant hiring officials with an explanation of how and when the individual may be appointed.

The Agency connected with federal state, and local agencies and organizations serving persons with disabilities by sending job announcements via email and posting announcements on social media. The Agency’s Selective Placement Coordinator was contacted by interested applicants who sought employment with the Agency. Additionally, the Agency continued to provide employees with disabilities with a multitude of training and developmental opportunities, which allowed individuals to gain skills and competencies needed for the successful performance of their jobs and to enhance their career opportunities.

4. Has the agency provided training to all hiring managers on the use of hiring authorities that take disability into account (e.g., Schedule A)? If “yes”, describe the type(s) of training and frequency. If “no”, describe the agency’s plan to provide this training.

Answer Yes

OHR and OCHM continued their practice of informing hiring managers about the use of special hiring authorities that consider disability. Managers and supervisors also received formal and informal training biennially as part of the mandatory EEO and Diversity training requirements. This training covered the special hiring authorities, the hiring goals, the Reasonable Accommodation laws, and other diversity and inclusion topics.

B. PLAN TO ESTABLISH CONTACTS WITH DISABILITY EMPLOYMENT ORGANIZATIONS

Describe the agency’s efforts to establish and maintain contacts with organizations that assist PWD, including PWTD, in securing and maintaining employment.

The Agency maintained contact with organizations that assist PWD, including PWTD, with securing and maintaining employment. The Agency collaborated with the Wounded Warrior Regiment – Career Resources Management Center in Quantico, Virginia, the D.C. Department on Disability Services, and the Virginia Rehabilitation Services to provide disabled individuals with real-life work experience. The Agency also partnered with the New York City Department of Youth and Community Development. .

C. PROGRESSION TOWARDS GOALS (RECRUITMENT AND HIRING)

1. Using the goals of 12% for PWD and 2% for PWTD as the benchmarks, do triggers exist for PWD and/or PWTD among the new hires in the permanent workforce? If “yes”, please describe the triggers below.

a. New Hires for Permanent Workforce (PWD)

Answer Yes

b. New Hires for Permanent Workforce (PWTD) Answer Yes

Using the goals of 12% for PWD and 2% for PWTD, a trigger exists among new hires for PWD and PWTD. In FY 2023, 8 of the new hires, or 9.42%, identified as having a disability, which is an increase from FY 2022, when none of the new hires so identified. However, in FY 2022 and 2023, there were no new hires who identified as having a targeted disability.

New Hires	Total (#)	Reportable Disability		Targeted Disability	
		Permanent Workforce (%)	Temporary Workforce (%)	Permanent Workforce (%)	Temporary Workforce (%)
% of Total Applicants					
% of Qualified Applicants					
% of New Hires					

2. Using the qualified applicant pool as the benchmark, do triggers exist for PWD and/or PWTD among the new hires for any of the mission- critical occupations (MCO)? If “yes”, please describe the triggers below. Select “n/a” if the applicant data is not available for your agency, and describe your plan to provide the data in the text box.

a. New Hires for MCO (PWD) Answer No

b. New Hires for MCO (PWTD) Answer No

In FY 2023, there were 2 qualified applicants for an MCO position in job series 0101, identified as having a disability. One (1) of the 2 applicants also identified as having a targeted disability. The applicant who identified as having a targeted disability was selected for MCO a position. That constitutes a 4.35% participation rate for PWTDs, which is above the 2% goal, but below the 12% goal for PWDs.

New Hires to Mission-Critical Occupations	Total (#)	Reportable Disability	Targetable Disability
		New Hires (%)	New Hires (%)
Numerical Goal	--	12%	2%

3. Using the relevant applicant pool as the benchmark, do triggers exist for PWD and/or PWTD among the qualified internal applicants for any of the mission-critical occupations (MCO)? If “yes”, please describe the triggers below. Select “n/a” if the applicant data is not available for your agency, and describe your plan to provide the data in the text box.

a. Qualified Applicants for MCO (PWD) Answer Yes

b. Qualified Applicants for MCO (PWTD) Answer Yes

In FY 2023, there was 1 qualified internal applicant for the MCO position in job series 0101, who identified as having a disability. This applicant did not identify as having a targeted disability. This applicant was not selected for MCO positions in job series 0101.

4. Using the qualified applicant pool as the benchmark, do triggers exist for PWD and/or PWTD among employees promoted to any of the mission- critical occupations (MCO)? If “yes”, please describe the triggers below. Select “n/a” if the applicant data is not available for your agency, and describe your plan to provide the data in the text box.

a. Promotions for MCO (PWD) Answer Yes

b. Promotions for MCO (PWTD) Answer Yes

In FY 2023, there was 1 qualified internal applicant for the MCO position in job series 0101, who identified as having a disability. This applicant did not identify as having a targeted disability. This applicant was not selected for MCO positions in job series 0101.

Section V: Plan to Ensure Advancement Opportunities for Employees with Disabilities

Pursuant to 29 C.F.R. §1614.203(d)(1)(iii), agencies are required to provide sufficient advancement opportunities for employees with disabilities. Such activities might include specialized training and mentoring programs, career development opportunities, awards programs, promotions, and similar programs that address advancement. In this section, agencies should identify, and provide data on programs designed to ensure advancement opportunities for employees with disabilities.

A. ADVANCEMENT PROGRAM PLAN

Describe the agency’s plan to ensure PWD, including PWTD, have sufficient opportunities for advancement.

During FY 2022, FY 2023, FY 2024, and FY 2025, the Agency continues to improve and strengthen its opportunities for advancement for PWD, including PWTD, utilizing the following initiatives: • Continue to explore whether barriers exist for PWD and PWTD in the recruitment and/or selection process for the mission-critical occupational series 0101. This data will be incorporated into CSOSA’s comprehensive recruitment plan, which is under development. The Agency is also open to expanding its contacts to include America Job Centers and employment network service providers. • Utilize additional sources of data to: (1) identify policies, procedures, and practices that limit PWD’s and PWTD’s employment opportunities; (2) investigate whether PWD and PWTD are experiencing barriers that either prevent them from applying for and/or being selected for promotions or new hires to the senior grade levels; (3) identify the proportion of mission-critical occupations that lead to managerial positions, and if PWD and PWTD have a low participation rate, conduct a focus group with the population to identify impediments to their advancement within the Agency; (4) examine whether any of policies, procedures, and practices are motivating PWD and PWTD to leave the Agency; (5) evaluate policies, practices, and procedures surrounding reasonable accommodation requests, career development opportunities, job assignments, performance appraisals, awards, and the work environment; and (6) conduct climate assessment surveys and focus groups. • Plan to investigate whether PWD and PWTD have barriers in recruitment and/or selection processes for new hires and promotions to senior grade levels and management positions as well as the distribution of awards. The Agency also will consider the use of details and job assignments as tools for PWD and PWTD to obtain significant work experience. • Establish a plan to collect exit interview data by disability status and identify reasons PWD and PWTD are leaving the Agency. The Agency also will plan to conduct interviews to encourage PWD and PWTD who may be considering leaving to stay.

B. CAREER DEVELOPMENT OPPORTUNITES

1. Please describe the career development opportunities that the agency provides to its employees.

The Agency tracks the names of the employees selected for training and details through its established Human Resources systems of record and has other mechanisms in place for limited tracking of employees who are selected for mentoring, fellowships, and coaching. Some of those career development opportunities and training programs are listed below: o Shadowing and Mentoring programs o American Probation and Parole Association Leadership Institute o Susan Shaffer Leadership Academy
